Giving to the Purdue Honors College

The mission of the Honors College is to create and foster well-rounded, well-educated global leaders. We work to create student leaders on campus who impact society from their very first semester and go on to enroll in the top graduate programs and receive the best employment their fields.

The Honors College and Residences Fund

This fund supports the creation, upkeep, and improvement of the Honors College facility. The Purdue Honors College is a community of scholars and that community needs a home. Your support will allow Honors students to live in a dedicated Honors residence hall with classrooms, collaborative study spaces, and their faculty and advisors at their fingertips.
