## Project Type

*Project related to your major, to other educational/scholarly experiences, or a project of your own design. You may use this option to propose a project you will complete through a college- or department-level honors program (such as biology honors, psychology honors, etc.).*

>>

*I am proposing a project through the ethics senior design pathway (PHIL 207).*

**Which semester do you plan to register for PHIL 207? \_\_\_\_\_**

**In 200 words or less, please describe the scientific/technological project that you have completed or intend to complete. If you are pursuing this pathway in conjunction with your senior design class and do not yet know the project, please indicate what semester you will be completing senior design.**
