Project Type

Project-based HONR Course (e.g., HONR 460, 462, or 464)

Which semester do you plan to register for a project-based HONR course? _____

Courses such as HONR 460, 462, 464 are project-based classes designed to meet the learning outcomes of the scholarly project requirement. Depending on the course topic, and project, you may be working individually, in teams, collaborating with partners, or engaging with the public.

By responding to these prompts, you are indicating your intention to complete the scholarly project requirement of the John Martinson Honors College curriculum through one of these course-based projects. In 200 words or less, please respond to these questions: in addition to fulfilling the requirement, what else are you hoping to take away from your experience in the course, and what interests, talents, perspectives, knowledge, and/or skills are you bringing to the course?

Leadership Participation

If your scholarly project or research-based portfolio is being completed in conjunction with the Lead Forward and/or Leadership Praxis credential, please select the appropriate option below:
